

Cianfrani Park Wish List Fall 2009

This wish list is intended to be used as a development and planning tool for your park group, and it may also enable us to connect you with grant opportunities that meet your specific needs and goals for the future. It is to update our previous assessment of Fall, 2006. Please review the items listed below, and rank them in order of your park's needs on the short list provided (1 being the highest priority). Feel free to make additional comments after your ranking. If you feel that some of the items are NOT needs for your park, simply cross them out and do not place a number beside them.
